

# In Case of Bad Weather...

**If Overlake's Family and Community Education programs are cancelled due to inclement weather, we will make every effort to notify participants via phone or e-mail.**

Call our class registration line at 425-688-5259 or the hospital operator at 425-688-5000 if you are unsure your class is being held. Our website, **[www.overlakehospital.org](http://www.overlakehospital.org)** will also have cancellation information.

At all times, your safety is our first priority. Use your best judgement: if classes are still being held, but it is unsafe for your drive there, please stay home and call us ASAP for rescheduling information.

If you have questions about cancellations:

**Class Registration – 425-688-5259**

**Hospital Operator – 425-688-5000**
